### ST. LOUIS NATIONALS DELAYED BY WRECK

And Did Not Go to Fairmont in Time  
for Exhibition Game With  
Reddy Mack's Bunch.

Baseball fans in Fairmont yesterday were greatly disappointed by the failure of the St. Louis Nationals to arrive there in time for the much heralded contest with Reddy Mack's aggregation. The train bearing the St. Louis team to Fairmont was laid up several hours on account of a wreck and it was impossible for the men to arrive in Fairmont in time for a game.

The management of the Fairmont team has not given up the project of getting one of the major league teams in that city this season and efforts will be made to get a game with some other national team.

### THE ROUNDUP COLUMN.

**Willie West Offers Some Pugilistic, Turf and Baseball Handouts.**  
John L. Sullivan says boxing science has not improved any since his day. But the number of good boxers has increased. John has another guess coming as to his first statement. Does he think that the fighting game stood still from the moment he was pushed into the pugilistic graveyard? The fact that John has been moving backward does not go to prove that the rest of the world has not been moving forward.

Mike Sullivan, the baldheaded twin from Boston, has offered to sell the welterweight title for \$100. If all the fighters become imbued with the same spirit we may soon expect to see Kid Rockefeller or Battling Gates cornering all the pugilistic titles on the market. At the same time it would be interesting to know how Mr. Sullivan ever became champion of the welterweights.

The nearest Chicago can come to an exhibition of the merits of that noble animal, the horse, is a trotting meet at Libertyville. It may be a boon to the breeding industry, but this particular brand of a boon does not arouse any special interest among the hand-book brigade.

Dick Croker, elated with his foreign successes, may send his Derby winner, Orby, to this side next season. He will be welcomed by the Jockey club of New York. Notice the position of the Jockey club's fingers.—Exchange.

Our contemporary does not know whereof it speaks. Croker will be allowed to race his horses in the east, because it was largely through his attitude that some of the present racing operations were made possible. Croker knows too much about the inside workings of the eastern turf trust, the Jockey club, to be antagonized by the powers that be. Croker was good to the racing trust when he was in power. It must be good to him now or he may take very drastic revenge. He is not a man to be trifled with. He forgets neither his friends nor his enemies. No, Mr. Exchange; the "Jockey club's fingers" are not crossed.

**DEAFNESS CANNOT BE CURED**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHILDS & CO., Toledo, O. Sold by Druggists.

## DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable. Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root of the great kidney and bladder troubles.

It is the greatest medical triumph of the nineteenth century. Dr. Kilmer's Swamp-Root is not recommended for everybody, but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.
